BADA User Interface main functions

The BADA User Interface tool allows you to …

- **Request EUROCONTROL's approval to use specific tools where our BADA data has been integrated.**
- **Follow the up-date of your request**
- **Exchange directly with the BADA review members regarding your request(s).**

Step 3 - Complete request form

BADA BADA Licence Request form

1. LICENCE TYPE

The BADA licence specifies the user rights which are determined by the type of studies which can be performed:
- BADA Family 3
- BADA Family 4
- Tools where BADA is integrated (AEDT, AEST...)

Select a type of licence *   Tools where BADA is integrated
